New House Improvements

- **Glance at Recently Completed Projects**
- **Peek into a Future Project**

The Chapter House increased its curb appeal this past school year with the addition of royal purple LED backlights behind new, bold letters. The old letters were professionally cleaned, powder coated, and placed at the top of the chimney on the rear of the house, facing south towards downtown Lincoln.

Along with exterior improvements, the bomb shelter received a much needed paint job. Undergraduate brothers spent several days deep cleaning, prepping, and designing the new mural for the basement wall. Half of the design can be seen below, where “Phi Gam”, the Chapter letters, and the Fraternity’s founding year surround the diamond and star emblem. On the wall opposite this design, thin white stripes span from ceiling to floor, crisscrossing over a royal purple background to create a wall of diamonds.

The Chapter House will be able to express its American and fraternal pride to all with the addition of a flagpole in the front yard, expected to be installed in the fall season. Look forward to seeing the American Flag waving high with the flag of our Fraternity flying just below.

The bomb shelter in the basement received a much needed paint job, now proudly emblazoned with our diamond emblem and surrounding text.

New house letters backlit with neon royal purple are one of the few house improvement projects completed in the past year. Hats off to Nebraska Neon Sign Co.

A Word from the President

Lambda Nu's Current President Discusses the Current State of the House and its Outlook for the Future
